This Agreement, is made and entered into at the Township of Gloucester, County of Camden, New Jersey, effective as of the 1st day of January, 2014, by and between the Township of Gloucester (the Township), and the Gloucester Township Police Association/Fraternal Order of Police - New Jersey Labor Council Inc. (FOP) on behalf of the Patrol Officers' Unit.

WITNESSETH:

WHEREAS, the Township and the FOP recognize and declare that providing quality police protection for the Township is their mutual aim;

WHEREAS, the Township Council and the Mayor retain the basic decision making authority over fiscal and management policies, although they are willing to consult with unit representatives on employee oriented matters;

WHEREAS, the Patrol officers of the police force are particularly qualified to advise the formulation and policies and programs designed to improve the standards of police protection;

WHEREAS, the Township has obligation, pursuant to N.J.S.A. 34:13A-1, et seq., as amended, to negotiate with the FOP as the representative of employees hereinafter designated with respect to the terms and conditions of employment; and,

WHEREAS, the parties have reached certain understandings which they desire to confirm in this Agreement. In consideration of the following mutual covenants, it is hereby agreed as follows.

ARTICLE I: LEGAL REFERENCE

A. Nothing contained in this Agreement shall alter the authority conferred by Law, Administrative Code, Ordinance, Resolution and Police Department Rules and Regulations upon any Township Official or in any way abridge or reduce such authority. This Agreement shall be construed as requiring Township Officials to follow the terms contained herein, to the extent that they are applicable in the exercise conferred upon them by Law.

B. Nothing contained herein shall be construed to deny or restrict to any patrol officer such rights as he may have under any other applicable Laws and Regulations. The rights granted to patrol officers hereunder shall be deemed to be in addition to those provided elsewhere.

ARTICLE II: RECOGNITION

- A. The Township hereby recognizes the FOP as the sole and exclusive negotiating agent and representative for all Patrol Officers employed in the Township of Gloucester Police Department, but excluding the Chief of Police, Deputy Chief of Police, Sergeants, Lieutenants, Captains, and all other Township employees.
- B. The title "police officer", "patrol officer", "bargaining unit member" or "employee" may be used interchangeably and shall be defined to include the plural as well as the singular and to include males and females, uniformed officers and non uniformed officers assigned as a detective.

ARTICLE III: POLICE OFFICERS' RIGHTS

- A. Pursuant to Chapter 303, Public Laws 1968, amended by PL 123,1974 the Township hereby agrees that every Police officer shall have the right freely to organize, join, and support the FOP and its affiliates for the purpose of engaging in collective negotiations and other concerted activities for mutual aid and protection. As a duly selected body exercising governmental power under color of laws of the State of New Jersey, the Township undertakes and agrees that it shall not directly or indirectly discourage or deprive or coerce any police officer in the enjoyments of any rights conferred by Chapter 303, Public Laws 1968, amended by PL 123,1974 or other laws of New Jersey or the Constitution of New Jersey and the United States; that it shall not discriminate against any police officer with respect to hours, wages, or any terms or conditions of employment by reason of his membership in the FOP and its affiliates, his participation in any activities of the FOP and its affiliates, collective negotiations with the Township or his institution of any grievance, complaints, or proceeding under this Agreement or otherwise with respect to any terms or conditions of employment.
- B. Representatives of the FOP shall be permitted time off without loss of pay to attend negotiating sessions, provided the efficiency of the Department is not affected thereby.
- C. Police Officers shall have the right to inspect their personnel file on reasonable notice and at reasonable times provided a designated superior officer is present at the time of inspection.
- D. The Township agrees to notify the individual police officer if any material discriminatory to the police officer is placed in their personnel jacket. The officer may provide a written response for inclusion in the file.
- E. In the event an officer dies while in the employ of the Township, then his/her estate shall be awarded the full benefits (, unused vacation leave, unused sick time, compensatory time, etc), which were earned and accumulated while in the

employ of the Township in a lump sum, on the same basis as if the officer retired, provided the sick pay will only be paid as provided in Article V, as applicable.

F. In the event an officer dies while on duty, the surviving spouse and/or dependents shall be continued on the Township Medical Plan at no cost for a period of twenty (20) years after the officer's death, so long as the surviving spouse and/or dependents are ineligible for other health insurance coverage as a dependent on a sponsor's plan.

G. In the event of an officer's death in the employ of the Township, the surviving spouse shall be continued on the Township medical plan for a period of five (5) years after the officer's death, so long as the surviving spouse is ineligible for other health insurance coverage as a dependent on a sponsor's plan. The surviving spouse will be required to pay the Annual Employee Cost for Coverage on the Plan and Benefit Level selected.

ARTICLE IV: MANAGEMENT RIGHTS

A. Except to the extent expressly modified by a specific provision of this Agreement, the Township of Gloucester reserves the right, and retains, solely and exclusively all of its Statutory and Common Law Rights to manage the operation of the Police Department of the Township of Gloucester as such rights existed prior to the execution of this or any other previous Agreement with the FOP.

B. The sole and exclusive rights of the Township of Gloucester which are not abridged by this Agreement, shall include, but are not limited to:

1. Determining the existence or non-existence of facts which are the basis of the Township Police Department and/or Management decision;
2. Establishing or continue policies, practices, or procedures for the citizens of the Township of Gloucester, and from time to time, to changing or abolishing such practices or procedures;
3. Determining, and from time to time modifying the number, locations, and relocation and types of its officers and employees or to discontinuing any performance by officers or employees of the Township;
4. Determining the number of hours per day or week any operation of the Police Department may be carried on;
5. Selecting and determining the number and types of officers required;

6. Assign such work to such officers in accordance with the requirements determined by the Department of Police and Mayor;
7. Establishing training programs and upgrading requirements for officers and/or employees within the Department;
8. Establishing and changing work schedules and assignments;
9. Transferring, promoting, or demoting officers or employees for just cause, or to lay off; terminating or otherwise relieving officers and/or employees from duty for lack of work or other legitimate reasons;
10. Determining the facts of lack of work;
11. Continuing, altering, making, and enforcing reasonable rules for the maintenance of discipline;
12. Suspending, discharging, or otherwise taking such measure as the Mayor may determine to be necessary for the orderly and efficient operation of the Department of Police for the Township of Gloucester, New Jersey, provided, however, nothing herein shall prevent an officer from presenting his grievance for the alleged violation of any article or specific term of this Agreement.

ARTICLE V: SICK LEAVE AND PERSONAL LEAVE

- A. Each officer shall be granted sixteen (16) sick days per year, which shall be cumulative from year to year. Sick leave means the absence from duty of an employee because of personal illness by reason of which such employee is unable to perform the usual duties of the position because of exposure to contagious disease, or other illness, or in any emergency situation where because of a member of the immediate family as defined by N.J.A.C. 4A:6-1.21A, having an illness requiring the officer remaining at home to care for same, or caring for the household. Such an emergency situation shall be documented upon request of the Chief of Police, or his designee.
- B. The following modifications to the accumulation of and payment for accrued sick leave upon retirement shall be effective as of July 1, 2008, and shall supersede any other provision of this Agreement concerning the accumulation of and payment for accrued sick leave:
 1. A \$35,000 cap shall apply to the payment of accumulated sick leave days upon retirement. This \$35,000 cap shall be applied after the application of the 2008 sick leave days are credited to each officer in the bargaining unit.

The Township and the FOP will execute a "side bar" agreement which shall lock in the dollar value of each officer's accumulated sick leave after the application of the 2008 sick leave days.

2. All current (and future) officers that have less than \$35,000 of accumulated sick leave days on the books as of January 1, 2008 will be capped at \$35,000. All officers that have \$35,000, or more, of accumulated sick leave days on the books as of January 1, 2008, shall be "grandfathered" at the exact dollar figure that they have on the books as of January 1, 2008, i.e., Officer John Doe with \$37,000 worth of accumulated sick days will have a Cap of \$37,000. This will be the maximum payout that Officer Doe can receive upon retirement, or, where applicable, through the combination of terminal leave and retirement.

3. Officers hired prior to July 1, 2008 will be reimbursed for sick leave at their hourly rate, subject to the foregoing cap formulas in paragraph B(2). Officers hired on or after July 1, 2008 shall be reimbursed at 50% of their hourly rate for all accumulated sick leave hours, up to a maximum payment of \$35,000 upon retirement, as set forth in paragraph B(2). *Officers hired after February 23, 2015 [execution date of this Agreement] shall be entitled to a maximum payment of \$15,000 upon retirement. All monies paid out for unused accumulated sick time shall be paid in equal amounts over three to ten years commencing on the date of retirement provided the employee notifies the Township at least 90 days prior to the beginning of the fiscal year. Failure to meet the notification requirement will result in a delay for payment until the year following the officer's retirement. Any officer, who is terminated as a result of an injury, or resigns, will maintain his/her right to compensation under this subsection. Any officer who is charged and convicted of a crime, resulting in the termination and/or resignation of employment, will forfeit his/her right to compensation under this subsection.*

4. Officers hired prior to January 1, 1988, shall be permitted to use up to 2080 hours of accumulated sick leave for the purpose of terminal leave. Officers on terminal leave shall receive medical coverage, but shall not earn, receive nor accumulate uniform/maintenance allowance, shift differential, sick leave, holiday or vacation pay, nor any other benefit. All payments to an officer on terminal leave shall be charged against the exact dollar amount credited to the officer as of January 1, 2008, as described above in paragraph 2 ("the grandfathered amount").

5. The remainder the grandfathered amount, after deduction of all payments made to the officer on terminal leave, shall be payable to the officer upon retirement as described above in paragraph 3. In no event may the total of payments made to the officer while on terminal leave plus payments to the officer for accumulated sick leave exceed the grandfathered amount.

- C. Each officer shall be entitled to three (3) personal days per year and noted as such on the officer's personnel record. The only limitation on the granting of personal day leave shall be the manpower requirements of the police department. Personal days shall require the approval of the Chief of Police (or his designee) and may not be used to otherwise avoid restrictions on the number of officers allowed off at a particular time.

Each officer shall be entitled to two (2) personal business days per year and noted as such on the officer's personnel record. Personal business days shall be used for the personal business of an officer of such a nature that it cannot be scheduled at the convenience of the officer or for a personal or household emergency which requires the immediate attention of the officer.

The reason for the request for a personal business day must be stated at the time of application for leave from duty and may not be used as a subterfuge to otherwise avoid restrictions on the number of officers allowed off at a particular time. Personal days and personal business days are cumulative. These days will be banked separately and can be utilized up to the total amount banked once all accumulative leave has been exhausted in the case of a catastrophic event as determined with the Township Mayor or Chief of Police.

1. An Officer will be entitled to use up to a maximum of 40 hours Personal Time per year.
2. No other compensation will be given for unused Personal Days that were previously banked upon the Officers retirement or separation.

- D. Any officer who has exhausted his accumulated sick leave, by reason of illness, as proved to the satisfaction of the Chief of Police, shall be continued on the Township medical benefit programs until he shall return to duty, and shall contribute to their health insurance premium share pursuant to Ch. 78, P.L. 2011.

- E. In the event an officer shall have no sick leave, either allowable or cumulative, and is granted leave for personal business, such leave must be approved by the Chief of Police.

- F. Service Connected Serious Communicable Disease: Any officer who shall suffer from a serious communicable disease, it shall with a rebuttable presumption, be that the disease was contracted on the job, provided that the officer is an active member of the Gloucester Township Police Department. An officer for the purpose of this section (Article V(E)) will be considered an "active" member within two years after either retirement or honorable separation from the department. The determination of "service connected" will be by a panel of

doctors, one selected by the officer, one selected by the Mayor and one selected by an independent arbitrator appointed by P.E.R.C. If a formal workers' compensation claim is submitted then the workers compensation rules and regulations will be utilized to make the determination of "service connected".

G. Leave for pregnancy, child rearing and other types of qualifying leave shall be governed by the Department's policy under the federal Family and Medical Leave Act (FMLA) and the New Jersey Family Leave Act (FLA). Officers may use sick, vacation, compensatory time and/or personal time during such leave, to the extent allowable for each type of leave.

H. Additional time, without pay, may be granted for reasons of the employee's individual setting forth the necessity therefore.

I. In accordance with existing practice, benefit days (sick, vacation and personal) are accrued at 8 hours per day. Time charged against each employee's benefits is taken in accordance with the officer's daily work schedule.

ARTICLE VI: INJURY LEAVE

A. In the event an employee becomes disabled by reason of work related injury or illness and is unable to perform his duties, then in addition to any sick leave benefits otherwise provided for herein, he may be entitled to full pay for a period of up to one (1) year, on the recommendation of the Chief of Police and approval by the Mayor.

B. Any employee who is injured, whether slight or severe, while working, must make an immediate report prior to the end of the shift thereof to the immediate supervisor, or as soon thereafter as possible. Failure to so report said injury may result in the failure of the employee to receive compensation under this Article.

C. The employee shall be required to present evidence by a certificate of a physician designated by the insurance carrier that he is unable to work, and the Township may reasonably require the employee to present such certificate from time to time.

D. If the Township does not accept the certificate of the physician designated by the insurance carrier, the Township shall have the right, at its own cost, to require the employee to obtain a physical examination and certification of fitness by a physician appointed by the Township.

E. In the event the Township's physician certifies the employee fit to return to duty, injury leave benefits granted under this Article shall be terminated. However, if the employee disputes the determination of the Township physician, then the

Township and the employee shall mutually agree upon a third physician, who shall then examine the employee. The cost of the third physician shall be borne equally by the Township and the employee. The determination of the third physician as to the employee's fitness to return to duty shall be final and binding upon the parties. In the event the third physician also certifies the employee fit to return to duty, injury leave benefits granted under this Article shall be terminated.

F. In the event any employee is granted said injury leave, the Township's sole obligation shall be to pay the employee the difference between his regular pay and any compensation, disability or other payments received from other sources. At the Township's option, the employee shall either surrender and deliver any compensation, disability or other payments to the Township and receive his entire salary payment, or the Township shall only pay the difference.

ARTICLE VII: LIABILITY AND FALSE ARREST INSURANCE

A. The Township agrees to cover all officers of the Department with False Arrest & Liability Insurance in the amount of Two Hundred Fifty Thousand (\$250,000) Dollars - Five Hundred Thousand (\$500,000) Dollars.

B. In addition, whenever an employee is a defendant in any action or legal proceeding arising out of, or incidental to the performance of his duties, the governing body of the municipality shall provide said member or officer with necessary means for the defense of such action or proceeding.

Legal defense shall not be provided for the employee in a disciplinary hearing instituted against him by the municipality or in a criminal proceeding instituted as a result of a complaint on behalf of the municipality. If any such disciplinary or criminal proceeding instituted by, or on complaint of the municipality, shall be dismissed or finally determined in favor of the employee, he shall be reimbursed for the expense of his defense.

ARTICLE VIII: CLOTHING ALLOWANCE

A. Officers shall receive an annual uniform and/or clothing allowance of \$1,900. Fifty (50%) percent of the allowance is to be paid on the second pay day in January, and fifty (50%) percent no later than the second pay in July.

B. In the event of a uniform change specified by the Township, the Township shall be responsible for issuing the initial amounts of new uniforms required for the change. In the event a uniform modification is requested by the employees and the request is approved by the Chief of Police, the employees will be responsible for the cost of such modification.

- C. The Township shall replace or repair all uniforms damaged while on duty.
- D. New employees shall be issued the full amount of initial uniforms and equipment as required under present departmental regulations. This shall include, but not be limited to, full Summer & Winter uniforms, weaponry, rain wear, shoes and boots, and leather goods. Clothing Allowance for new employees shall not be payable until the completion of one (1) year of service from their date of hire. Payment shall then be made on a pro-rated basis for the remainder of the calendar year.

ARTICLE IX: FUNERAL LEAVE

- A. In the event of death, in the employee's immediate family, the employee shall be granted time off without loss of pay commencing on the day of death, but in no event to exceed seven (7) working days.

The term "immediate family" shall include only spouse, Civil Union partner, father, mother, child, brother, or sister.
- B. In the event of death in the employee's extended family, the employee shall be granted time off without loss of pay commencing on the day of death, but in no event more than three (3) working days.

The term "extended family" shall include only father-in-law, mother-in-law, grandmother or grandfather, and brother-in-law or sister-in-law.

Funeral leave as provided in this Section is intended to be used solely for the purpose of handling necessary arrangements and attending the funeral of the deceased family member.
- C. Funeral leave may be extended at the sole discretion of the Chief of Police.
- D. In the event that the death of an extended family member causes an additional burden on the employee him/herself as defined below, the employee will receive his regular rate of pay for the first seven (7) working days following the death of such family member.
- E. "Additional Burden" Defined: The employee must in addition to making the usual necessary funeral arrangements and attendance be called upon to:
 - 1. Have to physically move the household furniture and belongings of the deceased or their survivors to another location.
 - 2. Have to arrange to dispose of or transfer the business concerns of the

deceased.

3. Have to arrange for the care of survivors of the deceased.

F. Funeral leave for any other situation not specifically covered under the terms of this article may be granted by the Chief of Police upon application by a member covered under this contract, giving sufficient cause for such leave to be granted.

ARTICLE X: RULES AND REGULATIONS

A. The Mayor shall establish and enforce binding rules and regulations in connection with the operation of the Police Department, and maintenance of discipline, provided such rules and regulations are not in conflict with the provisions of this Agreement. Copies shall be furnished to the Association. It is understood that application of this Agreement shall not in any way hamper enforcement of the Departmental Rules & Regulations.

B. It is understood that all employees shall comply with all rules and regulations of the Department, and orders or directives issued by the Chief of Police or his designee, from time to time. Employees shall promptly and efficiently execute the instructions and orders of superior officers. If an employee or employees believe a rule, regulation, instruction, or order of an officer or other superior is unreasonable, or unjust, the employee or employees shall comply with the rule, regulation, order or instruction, but with the further provision that such employee or employees may file a grievance with respect to the rule, regulation, order or instruction, which shall be handled in accordance with the grievance procedure set forth in Article XVII of this contract.

C. In the event that an employee or employees shall refuse to comply with the rule or regulation, or shall refuse to execute promptly and efficiently an instruction or order of a superior officer, appropriate action shall be within the province of the superior officer within the framework of Department Rules & Regulations, subject only to the right of employee to file a grievance.

D. The Township shall keep an up-to-date compilation of all S.O.P.'s, Special Orders, and memos. These shall be kept electronically and made available to all officers for their inspection and review on a 24-hour basis.

ARTICLE XI: NON-DISCRIMINATION

The parties hereto agree that neither shall discriminate against any employee because of membership or non-membership in the PBA or FOP, or participation in activities herein prescribed, nor discriminate against any member of the PBA or FOP for any action involving the performance of management duties on behalf of the Police

Department.

ARTICLE XII: MEDICAL, PRESCRIPTION AND DENTAL BENEFITS

- A. The Township agrees to maintain its independent medical/hospitalization program (as described in Appendix A) for officers and their dependents, with the benefits continued upon retirement. Coverage shall remain in effect until the age of Medicare eligibility at which time the Township-provided coverage shall become secondary to Medicare. The officer (retiree) must enroll in Medicare (Part A and B) in order to maintain Township-provided coverage.

The above paragraph refers to retirees. Active Officers and dependents that are of Medicare eligible age will not be reimbursed for Medicare Part B, as the group health plan coverage plan is primary.
- B. The Township will provide a prescription plan for employees and their dependents.
- C. The Township shall provide up to \$500 to officers who are actively employed, to offset the cost of qualifying medical expenses such as prescription medication, vision exams, prescription glasses and contact lenses, medical deductibles and co-pays. - D. The Township shall provide a closed panel Dental Plan, insurance company or other organization providing the same dental care, for employees covered under this Agreement and his dependents. The Township will, upon request in writing 45 days prior to the end of the current Dental Providers contract, agree to reopen this Article to discuss a revised plan acceptable to both the police officers and the Township. It is further provided that if both parties cannot reach an agreement, arbitration will not apply and this provision to reopen this article is null and void.
- E. Officers hired after *February 23, 2015* [execution date of this Agreement], who retire after 25 years of service with the Township will receive Township benefits for medical, prescription, dental, and vision. Officers who were hired before the execution of this Agreement will be eligible for said medical benefits after 25 years of service in the pension system.
- F. The Township agrees to provide for all officers, and those who retire with 25 years of service with the Township who opt not to participate in the above-described program an opt-out benefit up to \$4,500.00, subject to the limits set forth in N.J.S.A. 40A:10-17.1, to be used for Hospitalization Insurance, Prescription Plan, Eyeglass Plan, Dental Plan, and any other insurance coverage's as determined by the Township and permitted by I.R.S. in

accordance with a "menu", procedures, exclusions, requirements, etc. as determined by the Township. It is acknowledged that the existence of the "opt-out" benefit and the amount is subject to the discretion of the Township pursuant to N.J.S.A. 40A:10-17.1. All employees will receive a copy of the Plan Document which will include the "menu", procedures, exclusions, requirements, etc.

ARTICLE XIII: MAINTENANCE OF STANDARDS

Therefore, there shall be no interference with such operation.
- B. Adequate procedures having been provided for the equitable settlement of grievances arising out of this Agreement, parties hereto agree that the FOP, its officers, members, agents, or principals, will not engage in encourage, sanction, or suggest strikes, slow downs, mass resignations, mass absenteeism, or other suspension of, or interference with, normal work performance.

ARTICLE XIV: EMBODIMENT OF AGREEMENT

- A. This Agreement constitutes the sole and complete agreement between the parties as to the terms and conditions set forth herein. The parties acknowledge that they have had the opportunity to present and discuss proposals on any subject which is (or may be) subject to collective bargaining. This Agreement represents the full and final agreement between the Township and the FOP.
- B. The Township agrees that all benefits, terms and conditions of employment and past practices relating to the status of the employees covered by this Agreement shall be maintained at not less than the highest standards in effect at the time of the commencement of collective bargaining leading to the execution of this Agreement.
- C. The Township shall perform no act which will conflict with the terms of this Agreement.

ARTICLE XV: SEVERABILITY

- A. If any provision of this Agreement or any application of this Agreement to any employee or group of employees is held to be contrary to Law, then such

provision or application shall not be deemed valid and subsisting except to the extent permitted by Law, but all other provisions or applications shall continue in full force and effect.

- B. The provisions of this Agreement shall be subject to and subordinated to and shall not annul or modify existing applicable provisions of State & Local Laws except as such particular provisions of this contract modify existing local laws.
- C. If any provision of this Agreement is held contrary to Law, then the FOP and the Township shall collectively negotiate to try and bring that provision into alignment with the conflicting law, or if that is impossible, to negotiate a new provision or benefit, within the scope of the matter covered by the provision deleted, to take the place of that unlawful provision.

ARTICLE XVI: PROMOTIONS

The Township agrees that promotions shall be made in accordance with Civil Service Rules & Regulations. It further agrees not to discriminate on promotions because of religion, race, creed, politics, sex or age.

ARTICLE XVII: GRIEVANCES

- A. The intent of the parties to this Agreement is that the procedures hereinafter set forth shall serve as a means of peaceful settlement of all disputes that may arise between the parties as to the meaning or application of provisions of this Agreement.
- B. It is further understood that suspension, demotion, and discharge shall be made in accordance with Township Ordinance 0-82-16, as amended, of the Township Administrative Code, State Statute and Civil Service. In the event such actions are sustained, the aggrieved individual shall possess all rights of appeal as an individual pursuant to Civil Service as provided by law. A disciplinary proceeding shall not be subject to the grievance procedure.

STEP 1 - As to grievances, the aggrieved employee shall present the grievance in writing to his immediate superior. The grievance must be presented within ten (10) working days of its occurrence or knowledge of its occurrence. The Superior will give his written answer within five (5) working days of the date of presentation of the grievance.

STEP 2 - If the grievance is not settled in STEP 1, it shall be reduced to writing and presented through the Chain of Command to the level that would have control over the grievance. The Chief of Police should be included in the decision. The grievance shall be prepared in detail and be dated. This grievance must be submitted within five (5) working days of the Step 1 response, or, if there was no

STEP 1 response, the date that the STEP 1 response was due. That level will reply to the grievance in writing within five (5) working days of the date of the presentation of the written grievance. The aggrieved employee may be represented by an attorney, or representatives from the FOP, or the Employee bargaining unit in presenting his grievance.

STEP 3 - If the grievance is not settled in STEP 2, the grievant must present the written grievance to the Mayor within five (5) working days after the STEP 2 response is given or, if there was no STEP 2 response, the date that the STEP 2 response was due. The Mayor, after a grievance hearing, at which the employee shall have the right to have his representative present, will reply to the grievance in writing within seven (7) working days of the date of the presentation of the written grievance (Saturday, Sunday, and Holidays excluded).

STEP 4 - If the grievance is not settled in STEP 3, the FOP may, within thirty (30) days of the Mayor's STEP 3 response or, if there was no STEP 3 response, the date that the STEP 3 response was due, request that the matter be submitted to an arbitrator designated through P.E.R.C., mutually agreeable to both parties. The cost of such arbitration will be borne by the party not upheld by the arbitrator. The arbitrator's decision shall be final and binding.

C. A grievance may be filed by the FOP at its own instigation or at the request of any patrol officer or detective covered under this Agreement instead of an individual patrol officer or detective at the sole discretion of the FOP.

D. With respect to any grievance filed by the FOP, rather than an individual officer, the FOP shall submit the grievance directly to the Chain of Command as a STEP 2. A grievance filed by the FOP at STEP 2 must be filed within ten (10) working days of its occurrence or knowledge of its occurrence by the FOP or any member. Any grievance submitted to the Chief of Police or Deputy Chief of Police, by the FOP, will have complied with the requirements of STEP 2. The time limits, procedures, and additional steps in the grievance procedure will then be observed by the FOP and the Township as outlined in this aforementioned procedure.

ARTICLE XVIII: JOINT FOP MANAGEMENT COMMITTEE

A. A committee consisting of the Mayor, Chief of Police and the FOP shall be established for the purpose of reviewing the administration of this Agreement and to resolve problems that may arise. Said committee will meet when necessary and when required. These meetings are not intended to bypass the grievance procedure or to be considered contract negotiation meetings.

B. The purpose and intent of such meeting is to foster good employment relations

through communications between the Township and the FOP on such matters as:

1. Discussing questions arising over the interpretation and application of this Agreement.
2. Disseminating general information of interest to the parties.
3. Giving FOP representatives the opportunity to express their views or to make suggestions on subjects of interest to employees of the bargaining unit.
4. Notifying the employees in the bargaining unit of change in non-bargainable conditions of employment contemplated by management.
5. The promotion of education and training.
6. The elimination of waste and the conservation of materials and supplies.

In this example, day one (1) is a Monday.

- D. In the event the Chief of Police implements the twelve hour shift schedule set forth above, this schedule requires an employee to work eighty-four (84) hours in a fourteen (14) day period. It is not the intent of the Parties that twelve hour shifts employees work more regular work hours, over the period of a year, than eight and ten hour shift employees, i.e., an average of 80 hours per 14 day work period. Usage of Kelly time is subject to the same conditions as vacation time; however, Kelly Time cannot be accumulated from year to year. For employees working a twelve hour shift, a 14 day work period shall be used and overtime shall be paid for hours worked over an employee's regularly scheduled hours (84) in the work period - subject to the Kelly Day Procedure set forth in Paragraph D above.

- F. When a Patrol officer or Detective is called into duty prior to the normal starting time for his scheduled beginning of an assigned shift, he shall be paid as follows:

1. For any time period over four (4) hours prior to the start of the scheduled shift; on an hour-for-hour basis for actual time worked at the rate of one and

- N. In assignment of Board of Education, the Township agrees to a policy, of first seeking volunteers for the functions before assigning employees. If there are no volunteers for the function, the Township shall assign employees to the function, but in no event shall the Township assign an employee to the function who is on his day off except in extremely emergent circumstances. In the event an employee is assigned (ordered) to one of the aforesaid functions, by the Township, he shall be compensated at one and one-half times his hourly rate of pay for a four (4) hour minimum, and on a per hour basis thereafter.
- O. Court Time Civil Cases: Compensation in Civil cases is dependent on the private arrangements made between the officer and requesting attorney.
